Something different happens when you eat cannabis-infused goods. Before the psychoactive effects kick in, an edible treat has to pass through the entire digestive system. As a result, the psychoactive “high” from an edible takes significantly longer to kick in. With inhalation, the experience peaks within 10 to 30 minutes.

A selection of uncooked red meat and poultry Meat is animal flesh that is eaten as food. Humans have hunted and killed animals for meat since prehistoric times. The advent of civilization allowed the domestication of animals such as chickens, sheep, rabbits, pigs and cattle. This eventually led to their use in meat production on an industrial scale with the aid of slaughterhouses. Meat is ...
