Learning and expanding with activity theory (2009 edition ...
activity and expansive transition' in Chapter 4 of the present book reflects the influence of vertical evolutionary thinking in which qualitatively different types of activity tend to resemble fixed stages in a normative evolutionary ladder. Three years after Learning by Expanding was written, I explicated my standpoint as follows.

Engeström, 1987, LBE edited HL
Learning and Expanding with Activity Theory Edited by Annalisa Sannino, Harry Daniels, and Kris D. Gutierrez This book is in a sense a tribute to Yrjo Engestrom, whose landmark book Learning by Expanding (1987) was so influential to developing - and popularizing - activity theory. In the introductory chapter, the editors chronicle "four main phases of Engestrom's work as an activity theorist ...

Spinuzzi: Reading :: Learning and Expanding with Activity ...
Learning by Expanding challenges traditional theories that confine learning to specific tasks or problems. Yrjö Engeström argues that this approach fails to meet the challenges of social change and to create novel artifacts and ways of life. He presents an innovative theory of expansive learning activity that transforms existing social practices.

Learning by Expanding, Second Edition: An Activity ...
Learning by Expanding with Activity Theory. Often critical thinking activities can follow on from other learning activities, after students have received feedback from the initial activity. Example: Response to an assigned text Students are initially asked to identify the key ideas in an assigned text (written, audio, video), and share their understanding with a sub-set of the class (e.g., during an on campus (or online) 'tutorial', or ...
