Subsequent host city bids have adopted the 'legacy narrative' and, as this book demonstrates, aligned this to major schemes of urban development and renewal. Bringing together scholars, practitioners and policy makers, this book focuses upon the legacies sought by cities that host major sports events.

Mega-event Cities: Urban Legacies of Global Sports Events ...

Mega-events represent an important moment in the life of a city, providing a useful lens through which we may analyse their cultural, social, political and economic development. In the wake of the International Olympic Committee's (IOC's) concerns about 'gigantism' and wider public concerns about rising costs, it was imperative in the C21st to demonstrate the long term benefits that arose for ...

Mega-event Cities: Urban Legacies of Global Sports Events

Mega-events exemplify the 'glocalisation' involved in global processes being embodied in local, urban contexts. This chapter explores this through the particular lens of mega-events staged in London and their urban legacies. London is understood as being both a Western and European world regional city as well as being a national capital. The chapter show how London has been physically ...

without thorough examination on the benefits and costs of having a mega-spo1ting event in town. The government plays an essential role in the mega-sporting event from bidding the mega-sporting event to the hosting till the infrastructures management in the post-event (Dwyer, Forsyth, & Spur, 2005).

The Positive and Negative Economic Contributions of Mega ...

Contemporary cities working to change their image look to mega events, in the way that the visits of monarchs and other state officials used to provide an international spotlight. City legacies, I'd argue emerge when the mega event enables planners, stakeholders and communities to work collaboratively to develop and imaginatively

Olympic Legacy: Social and Cultural ... - Mega Event Cities

2. Mega-events, urban development and transport legacy. The idea of leveraging mega-events to fast-track urban development and create lasting benefits for host cities has gradually been incorporated into the mega-events agenda and governments' discourse over the past decades (Gold & Gold, 2008; Leopkey & Parent, 2012; Tomlinson, 2014).

Transport legacy of mega-events and the redistribution of ...

1.1 The mega-event strategy Mega-events – such as the Olympics or a World Expo – are short-term and high-profile international events which have a long-term impact on host cities. Looking beyond the event itself, the mega-event strategy is basically one using the mega-event as an engine for urban development. Therefore it can be

THE MEGA-EVENT AS A STRATEGY IN SPATIAL PLANNING: STARTING ...

1. Introduction 1.1. Mega-events and the micro-geography of impacts. Mega-events can be considered an integral component of much 20th century urban development (Muñoz, 2006), with urban transformation and 'legacy benefits' used to justify the expenditure (Essex and Chalkley, 1998, Leopkey and Parent, 2011, Pound, 2003, Smith, 2012).In many ways, the essence of a mega-event is scale.

Spatial scale, time and process in mega-events: The ...

Local governments increasingly justify the hosting of mega-events because of their legacy value, assuming that all local residents benefit from those events. Yet, little attention has been paid to the distributive question of who benefits from the transport legacy left by those events.
