### Photography Changes Everything - Home

Photography Changes Everything became clearer, to create an opportunity to explore the medium's active role in our lives and world. Easier said than done, as art historian John Tagg pointed out when he described the medium's slipperiness: Photography as such has no identity. Its status as a technology varies with the power relations which invest it.

What Photography Means To Me As we take photographs, we sometimes ask ourselves, what exactly does photography mean to us. Well for me, it means many of things, one specially, is quite simple. It's to capture a moment in history, or a great memory. I feel for most, this is what they would say as well.
