Librivox.org is a dream come true for audiobook lovers. All the books here are absolutely free, which is good news for those of us who have had to pony up ridiculously high fees for substandard audiobooks. Librivox has many volunteers that work to release quality recordings of classic books, all free for anyone to download. If you've been looking for a great place to find free audio books, Librivox is a good place to start.

Remapping The Ottoman Middle East

Remapping the Ottoman Middle East, on the other hand, examines alternative and disparate routes to modernity during the nineteenth century. Pursuing a comparison of different regions of the empire, this book demonstrates that the Ottoman imperial universe was shaped by three distinct and simultaneous narratives: market relations in its coastal areas; imperial bureaucracy in the cities of central Anatolia, Syria, and Palestine; and Islamic trust networks in the frontier regions of the Arabian ...
