### Rover Engine Pistons, Rods & Parts | eBay

Piston rings are located on the side of the piston and run around the circumference of the piston forming a gas-tight seal. ... Always check that we have stock of the oversize pistons before having the block bored. Some engines like the Rover K-Series have a wet liner that is removed from the block and replaced with the piston.

### Land Rover Car & Truck Pistons, Rings, Rods, & Parts for ...

I have a brand new set of rings Hepolite no 23416 for my 3.5 rover engine, but there is no way they will fit the grooves. My 1972 Hepolite catalogue says they should be 5/64" thick. I have the remnants of at least three sets of pistons but these rings dont fit any of them. Did they change the thickness sometime after 1972?
