International Digital Children's Library: Browse through a wide selection of high quality free books for children here. Check out Simple Search to get a big picture of how this library is organized: by age, reading level, length of book, genres, and more.

## Seitai

Seitai is a form of healing which uses the body's own natural restorative properties, rather than relying on outside sources. It was founded by Haruchika Noguchi, though the term seitai was coined by the Kenko Hojikai group, which was created by the Japanese government prior to World War II.

KUNIAKI IMOTO was born in 1944 in Yamaguchi prefecture, Japan. His father was a Seitai teacher and practitioner, introducing Kuniaki to Seitai treatment at the age of five. After becoming a qualified acupuncturist in Japan, Kuniaki was dispatched by the Japanese government to practice and teach acupuncture in Germany and Switzerland, and during this period he deepened his knowledge of Western ...

Seitai has been developed in Japan to save human lives by hands since 100 years ago when medical technology was not fully developed as it is today. It has become known that while COVID-19 progresses from asymptomatic to mild in most cases, it causes cytokine storms and/or complications and rapidly deteriorates the physical condition in several ...
