FAQ — Spalding Education

The plan of the Spalding method is to teach in isolation the above 54 phonograms and their 45 sounds from flashcards and dictation. There are only forty-five sounds and seventy phonograms for writing them. Begin at once to teach the class to say all the sounds and to write the first fifty-four phonograms.

How to Teach Phonics (And How Not To) | Memoria Press

Spalding method teaches ALL the sounds of every phonogram, with only a scant few exceptions. For example: most beginning reading programs teach 'the', 'of', and 'what' as exceptions. Of the three words, the only exception with Spalding's method is 'of' because F makes the /v/ sound.

Spell to Write and Read Review - The Momma Knows

Spalding is a method or style of teaching that allows the teacher to observe the students, plan appropriate instruction and adjust instruction to meet student needs. Spalding uses direct, sequential, and multi-sensory instruction. Active participation of the students is an important part of the program.

The Spalding Method

I learned a great deal about the Spalding Method and about English phonics and spelling rules in general from this book, but it is not a lesson plan book in my opinion. I think a great deal more work would be required to implement it. (Thankfully there are similar programs like the Orton-Gillingham based "All About Reading" that do the work for ...
