Teaching To Change The World

Teaching to Change the World is an up-to-the-moment, engaging, social justice-oriented introduction to education and teaching, and the challenges and opportunities they present. Both foundational and practical, the chapters are organized around conventional topics but in a way that consistently integrates a coherent story that explains why schools are as they are.

Teaching to Change the World by Lauren Anderson

This is a plan book for school-based, home-based, and community-based educators who believe that young people can, will, and already do change the world. It is designed to help educators translate their vision of a just education into concrete activities. This year's calendar features all new historical anniversaries and birthdays.

Planning to Change the World 2020-2021 - PDF - Rethinking ...

This book does take a pretty biased view of teaching, but it warns you of this upfront. Teaching is inherently political and this book doesn't try to feign some mythical objectivity. If you want to teach with traditional, back-to-basics methods, then read this book to at least see the other side. Use it to develop your own disagreement.
